

Structured Credit - Non-investment Grade Class W p

LU3076279812

Objectives and investment policy**Objectives**

The objective of this fund is to achieve long-term investment growth in any type of market condition (absolute return). The share class is accumulating.

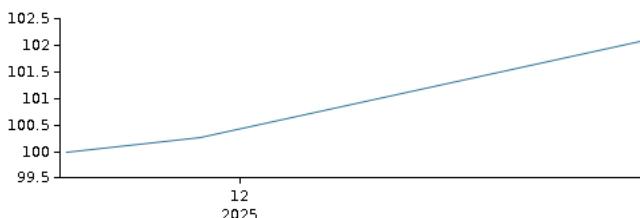

Investment policy

The fund invests primarily in structured credit, i.e. Collateralised Loan Obligations (CLO) notes and specifically, in the mezzanine and equity tranches of the CLO's, rated below Baa3/BBB-. The fund's investments may be rated or unrated and they are unconstrained by reference to sector. The fund's target is to have US and European geographical exposure.

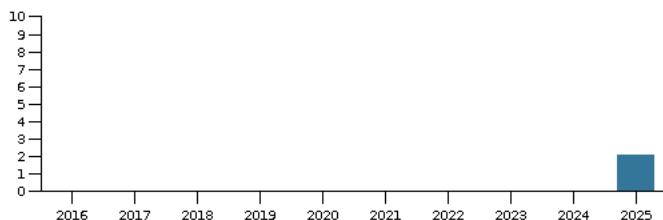

The fund pursues an active long-only investment strategy favouring investments which provide continuous income streams, e.g. coupons. The investments may include CLOs across the risk spectrum and assets that are in a distressed situation.

The fund is categorised as article 8 under SFDR and promotes environmental and/or social characteristics, as well as good governance practices, through screening, exclusions, investment analysis and decision-making. The fund follows Danske Invest's responsible investment policy.

The fund may use derivatives for hedging and efficient portfolio management. Maximum leverage should not exceed 200%.

Return in the period: 18.11.2025 - 31.12.2025

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results. Future returns may be negative. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.
